Opioid Patch Return Sheet

Fentanyl (Duragesic®), Buprenorphine (Butrans®) and Other Opioid Patches

Patch-for-Patch Return Program

Returning used opioid patches helps promote safe, effective and responsible use of opioid medications and reduces diversion, accidental exposure and misuse.

Instructions:

- Remove the used patch from your skin.
- Place the used patch inside the next numbered box.
- Store this sheet securely away from children and pets.
- Bring this completed sheet back to the pharmacy when picking up your next supply.
- Used patches should remain attached to this sheet until returned.
